Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Taiwan, China cancel flights, evacuate as powerful typhoon nears](#)

Taiwan on Friday cancelled dozens of international flights and evacuated more than 1,000 people from a vulnerable coastal village as a powerful typhoon threatened to bring strong winds and heavy rains to the island.

[Airlines waive fees as delays, cancellations mount](#)

Headaches were building for air travelers Wednesday afternoon as a broad area of thunderstorms backed up flights at more than a half-dozen of the nation's busiest airports.

[Rear-facing aircraft seats 'safer'](#)

Doctors treating survivors of last weekend's plane crash in San Francisco, in which two people died and 181 were hurt, have urged manufacturers to consider introducing three-point seatbelts after a number of passengers suffered spinal injuries.

[India to develop civil aircraft, PM notes strategic nature of civil aircraft manufacturer](#)

Earlier this week, Indian Prime Minister Manmohan Singh noted the strategic nature of civil aircraft manufacturing at a High Level Committee on Manufacturing (HLCM) meeting.

[Turkish Airlines to be partially privatised](#)

Turkish Airlines (Türk Hava Yolları) will be put up for partial privatisation, Sabah newspaper said today.

[Environmental cleanup delays runway expansion](#)

Mayor Karen Freeman-Wilson today joined officials from the Gary/Chicago International Airport and the Northwest Indiana Regional Development Authority (RDA) to announce that final-phase construction of the airport's large-scale runway expansion program will be postponed this year in order to clean up higher than expected quantities of ground contamination.
