Dear Colleagues,

The **IFALPA Daily News** is now available online.

Here are today's top headlines. To read more, click on the title:

[US Air, American offer EU merger concessions](#)

US Airways and American Airlines have offered concessions to European Union antitrust regulators to win approval for their planned USD\$11 billion merger to create the world's largest airline.

[Lisbon Airport completes terminal expansion and new transit area](#)

On Wednesday, Portugal's Lisbon Portela Airport completed its expansion project with new "International and Transit Terminal", which includes dedicated areas for processing transit passengers and the expansion of the airport's baggage system.

[Hungarians to launch new airline in August](#)

Three Hungarian businessmen backed by Middle East investors plan to launch a new Budapest-based full-service airline to plug a market gap left by the collapse of flag carrier Malev last year.

[Palestinians want airport, hotels and natural gas](#)

A West Bank airport and a permit to search for natural gas off Gaza are among Palestinians demands as part of renewed peace talks, Ynetnews.com reported.

[Ryanair to sell advertising on its planes](#)

Now Ryanair has come up with another creative way of making more money: by allowing other companies to advertise on its planes – for a price.
