Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Ryanair signs USD\\$15.6 billion Boeing deal](#)

Ryanair on Tuesday announced a USD\$15.6 billion order for 175 Boeing 737s in a deal that would allow the Irish airline to consolidate its position as Europe's dominant low-cost carrier.

[NTSB issues new safety alerts](#)

General aviation accidents continue to occur for many of the same reasons. The National Transportation Safety Board (NTSB) issued five specific recommendations aimed at pinpointing the most common hazards, while offering potential remedies.

[European airline industry shrinking due to recession](#)

Air traffic growth in 2012 has been marked by economic weakness in much of Europe and by several airline failures locally adding to the general traffic decline, in particular of domestic traffic.

[Big numbers visit NZ's largest pilot training school](#)

An open day at CTC Aviation Training (NZ) Limited on Saturday 16 March saw a large number of potential pilots in attendance to hear about the future of airline training in New Zealand.

[Malaysia Airlines increases capacity to its global network](#)

Malaysia Airlines is increasing its capacity to many routes on its network through additional flights and bigger capacity aircraft for the Northern Summer operating pattern effective 31 March 2013.

[Nigeria: Remodelled Kano Airport offers hope](#)

Despite the challenge of insecurity that Kano, a city well known for its trade and commerce, has had to grapple with in recent times, and the fading hope that Mallam Aminu Kano International Airport may never regain its former glory after several years of neglect, Adeola Akinremi reports that the remodelled Kano Airport now offers a glimmer of hope.
