Belge: IFALPA Daily News – 21 August 2013

Tarih: 22.08.2013

Kaynak: IFALPA haberleri · talpa.org

Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[**Association appeal to airlines to employ more Nigerian pilots**](#)

The National Association of Aircraft Pilots and Engineers on Tuesday appealed to airline operators to employ more Nigerian pilots, instead of their foreign counterparts.

[**Pilot complement dictated by restricting plan – Air Malta**](#)

A meeting between pilots' union ALPA and Air Malta management yesterday turned out to be "inconclusive", according to a statement by the union, which will be proceeding with a dress-down directive for its members.

[**Qantas hurt by tighter curfew at Sydney Airport**](#)

Transport Minister Anthony Albanese's bureaucrats have stripped Qantas of three early-morning arrival slots a week for international flights, further restricting Sydney Airport's capacity.

[**UAE carriers heading Eastbound for new destinations in China**](#)

The UAE represented by the General Civil Aviation Authority (GCAA) has signed a record of discussion with the Government of the People's Republic of China in Yinchuan, Ningxia on August 15, 2013.

[**Union pressure likely to limit Finnair sell-off**](#)

Union pressure is likely to limit the sale of Finnish state holdings including its stake in national carrier Finnair when the government announces its 2014 budget proposals next week.

[**BA extends superjumbo flights to Frankfurt**](#)

British Airways will continue flying its first superjumbo A380s between Heathrow and Frankfurt until mid-October.

[**Second Ho Chi Minh airport planned**](#)

A new, second airport in Ho Chi Minh City is necessary to ease traffic congestion at the existing airport in the commercial hub in south Vietnam, the Vietnamese Transport Ministry has said.
