Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Air France-KLM defers decision on Alitalia](#)

Air France-KLM deferred a decision on whether to offer more help for struggling Alitalia on Monday, saying it needed more information about its Italian partner's finances.

[Pilot gap in Asia reaching critical proportions](#)

Ailing infrastructure in rapidly growing economies in the Asia-Pacific region has not kept in step with demand, creating huge challenges for airlines running out of pilots as fleets expand.

[ICAO states meet to adopt global navigation plan](#)

The world's aviation community will gather today for the start of the 38th Assembly of UN agency ICAO and will be asked to adopt a global air navigation plan that will lay down a roadmap for the eventual modernisation of the world's ATM system.

[Delta and Virgin Atlantic joint venture gets DOT green light](#)

Delta Air Lines and Virgin Atlantic Airways received final approval from the US Department of Transportation (DOT) to implement an immunised joint venture across the Atlantic today.

[Air New Zealand plans 1st flights to Antarctica's ice runway on regular passenger jets](#)

New Zealand's flagship airline plans to fly planes to Antarctica that pilots would land on an ice runway.

[Airlines urge UN deal on emissions to avoid trade war](#)

Airlines on Monday urged a UN aviation group to back a mandatory global framework to curb airline emissions, saying failure to reach a deal would revive threats of a trade war.
