Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[American Airlines unveils new look](#)

Even as it tries to emerge from bankruptcy and eyes a possible merger with US Airways, American Airlines is busy with a new project: a face lift.

[Airlines join protest against Curacao Airport fee increases](#)

Airline groups are joining forces to protest Curacao Airport's 150% fee increase in taxes and landing fees.

[German airports hit by security staff strike](#)

German airports faced flight disruptions and cancellations last weekend as security staff continued a strike over pay.

[Fires at Melbourne International Airport just part of training](#)

If you spot fearsome 30-foot orange flames billowing from Melbourne International Airport this week, don't be alarmed. In all likelihood, that blaze was sparked during a firefighter training drill.

[Two airlines suspend Iran flights as economy weakens](#)

Two European airlines said they were halting services to Iran, a sign of the crumbling purchasing power of Iranians as their economy buckles under the weight of Western sanctions, Reuters reported.

[NATS charts available on Plane Finder app](#)

NATS has joined forces with the developers of one of the most successful aircraft finder apps to offer flight charts as a bolt-on wallpaper style extra for those interested in seeing more detail.

[China's jumbo air freighter test flight a success](#)

China has conducted a successful test flight of its first domestically developed jumbo air freighter, the official state news agency Xinhua reported on Saturday.
