Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[FlightSafety announces flight hour program](#)

As the August 2013 date for implementation of the new ATP safety requirement for all Part 121 pilots nears, the FlightSafety Academy announced a new program to help less experienced commercial pilots reach the 1,500-hour mark required to apply for the certificate.

[Qantas security staff walk of the job](#)

Security screening staff at Perth domestic airport's Qantas terminal have walked off the job after five of the employees were temporarily locked out of their workplace for attending a stop work meeting.

[Pilots speak out on automation in EASA survey](#)

Basic manual and cognitive flying skills decline because of a lack of practice actually flying the aircraft, according to 80 percent of 151 respondents to a European Aviation Safety Agency survey about cockpit automation.

[Air France equips its entire long-haul fleet with new, lighter baggage containers](#)

In April 2013, Air France completed the renewal of its 3,650 hold baggage containers on its long-haul aircraft (Airbus A380, A340, A330, Boeing 777 and 747).

[Space tourism industry faces safety concerns](#)

Space-industry watchers expressed concern that the emerging space tourism sector is not being candid enough about the safety risks for travellers.

[Emirates to restart flights to Libya, after two year halt](#)

Emirates will restart passenger flights to Tripoli from September 1, operating three-a-week services via Malta.
