

ULUSLARARASI TEMSİL IFALPA BELGESİ

Belge: IFALPA Daily News – 30 July 2013

Tarih: 31.07.2013

Kaynak: IFALPA haberleri · talpa.org

Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Boeing asks airlines to check emergency beacons on up to 1,200 jets after Heathrow blaze](#)

Boeing has asked airlines to inspect up to 1,200 aircraft across its fleet to gather data on Honeywell emergency beacons that have come under scrutiny following a fire on a parked 787 Dreamliner two weeks ago.

[Paralysed man held for attempting to bomb Beijing airport](#)

Chinese police have arrested a wheelchair-bound man, who set off a home made explosive at the Beijing International Airport on July 20 to highlight the brutal beating by security officials that paralysed him.

[It's a bird, it's a plane, it's... Swiss 'Jetman'](#)

A Swiss adventurer is making his first public flights in the United States this summer with his custom-built jet suit.

[Kim Jong-Un confirms design for \\$200 million international airport](#)

First Instagram, now this: An architecture and planning firm in Hong Kong has reportedly been chosen to turn a military airstrip in North Korea into a \$200 million international airport.

[Funding schemes in Congress could ground drones; FAA pressured over privacy](#)

Many other members of Congress, civil liberties groups, privacy advocates and others have said drones — increasingly small, undetectable and able to be equipped with state-of-the-art cameras and other monitoring equipment — pose real privacy threats.
