Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Avianca reaches deal with main pilot union](#)

Colombia's Avianca has reached a pay deal with most of its pilots after being forced to cancel hundreds of flights when crew began refusing overtime to push for better remuneration.

[Pilots praised for evacuation](#)

Passengers have praised the calm and professional manner in which pilots evacuated a Beech 1900 aircraft when its cabin filled with smoke.

[European air traffic strike to hit flights](#)

Flights around Europe are set to face major disruption due to a one-day strike by air traffic controllers.

[Helicopter crash raises issues for India's regulator](#)

The crash of a chartered Bell 212 helicopter on Sunday in the outskirts of Mumbai that killed five will likely force India's Directorate General of Civil Aviation (DGCA) to scrutinize procedures related to preserving wreckage and the altitudes at which helicopters fly.

[Nigeria: Our pilots are recognised internationally – Aviation union leader](#)

In reaction to Thursday's plane crash, the National President, Association of Aircraft Pilots and Engineers, Balami David, has discouraged stakeholders from guessing the cause of the accident and has absolved the pilot and engineer of any fault.

[Russia eyes production of commercial aircraft in India](#)

Russia is mulling production of two types of commercial aircraft in India, a move that would cut down the cost of production by 40 per cent.
