Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Mexico's Popocatepetl volcano grounds US flights](#)

Four U.S. airlines temporarily suspended flights to and from Mexico City on Thursday after a volcano 50 miles from the capital spewed ash, a spokesman for the city's international airport said.

[Air India plane skids off runway while taxiing](#)

An Air India plane with 140 people on board today skidded off the runway shortly after landing at Bagdogra airport in Darjeeling district, airport sources said.

[Polish airline LOT says Dreamliner problems not battery-related](#)

LOT, the first European airline to receive the trouble-plagued Boeing 787s, canceled two transatlantic flights this week.

[Land issues delay Kuala Namu International Airport](#)

The opening of Kuala Namu International Airport in Deli Serdang regency has been, yet again, stalled by land acquisition challenges.

[International expansion sees ANA add two new 787 routes](#)

On Thursday, All Nippon Airways (ANA) stated it will introduce the Boeing 787 onto two new international routes, bringing the number of overseas destinations it serves with the 787 to eight.
