

ULUSLARARASI TEMSİL IFALPA BELGESİ

Belge: IFALPA Daily News – 6 February 2014

Tarih: 18.02.2014

Kaynak: IFALPA haberleri · talpa.org

Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Tigerair pilots' union seeks urgent Fair Work hearing](#)

The union representing Tigerair Australia's pilots has asked the Fair Work Commission for an urgent hearing to block the airline's effort to determine how many are planning to take part in industrial action from Friday.

[FAA pilot safety training blamed for fewer flights](#)

The Federal Aviation Administration chief told a House panel Wednesday that the agency pursued greater safety in requiring more pilot training, a move that some airlines blamed for reducing flight service across the Midwest.

[In a first, pilots will receive real-time data on weather](#)

From February 10, pilots will receive online real-time data on weather updates on-board a flight with the help of the Aviation Weather Observation System (AWOS) that will be inaugurated at the Juhu Airport. According to K S Hosalikar, Deputy Director-General of meteorology, IMD Mumbai, said such a standalone system that allows direct communication with pilots, providing weather data, will be used for the first time in the country.

ULUSLARARASI TEMSİL IFALPA BELGESİ

[Lufthansa calls for fair competitive environment](#)

Lufthansa has called on European regulators for a fair environment to avoid unfair competition, following Etihad Airways' plans to invest in Alitalia.

[U.S. said to warn carriers of bomb material in toothpaste](#)

Airlines flying to Winter Olympics host Russia are being warned to watch for toothpaste tubes containing materials that could be used by terrorists to make a bomb, according to a U.S. law enforcement official.

[Thai AirAsia X all set to take off](#)

Thai AirAsia X will go ahead and apply for operating permits in Thailand and slots for its international routes after securing an Air Operator's Certificate.
